Commerce and finance  
Commercial law

Comm. legal protection  
Company management  
Company philosophy  
Composite materials  
Computer applications  
Computer technology  
Construction engineering  
Construction industry  
Construction machinery  
Constr. materials industry  
Construction vehicles  
Contract law  
Conveyor equipment  
Copyright  
Criminal law  
Customs duties

## D

Dance  
Dentistry  
Dermatology  
Design law  
Development politics  
Development systems  
Disaster prevention  
Documentation  
Documents

## E

Ear, nose and throat medicine  
Ecclesiastical law  
Economics  
Education and training  
Education  
Electrical equipment  
Electrical industry  
Electrical technology  
Electronics  
Employment law  
Energy technology  
Entertainment electronics  
Environmental law  
Environmental protection  
Environmental technology  
Ethnology  
EU

## F

Fertilizers  
Film scripts  
Film, radio and television  
Finance - general  
Financial reports

Fire protection  
Fishing industry  
Food and luxury foods  
Foodstuffs industry  
Forestry  
Furniture

## G

Gas  
General commerce  
General energy industry  
General politics  
General statistics  
Geography  
Geological sciences  
Geology  
Glass  
Graphics  
Gynaecology/obstetrics

## H

Health and safety at work  
Health / social services  
Heating installations  
History  
Horticulture  
Household equipment  
Humanities  
Hydraulic engineering  
Hydrology

## I

Industry and technology  
Information technology  
Inorganic chemistry  
Instrument engineering  
Insurances  
Internal medicine  
International institutions  
International law  
International private law  
International public law  
Iron and steel

## L

Law  
Leather  
Leisure  
Lighting  
Linguistics  
Literature studies

## M

Machine tools

**Holtz-Stosch GmbH**
